After arriving, walk up the steps to exit the station, then go inside the building directly in front of you. Then, continue right until you see elevators to your right to take you to the 10th floor.

The station also services multiple bus lines. For a full list of busses with Ballston-MU on their route, check out [this map](#). The standard rate for busses is \$2.00.

The driveway into the garage is about midway down the block right after the Hilton. To obtain your permit, contact our front desk at **703-543-9662**. Your parking will be validated for the day.
